

MALAGA ANIMAL  
PROTECTION SOCIETY

## About Us

M.A.P.S relies on donations and fundraising events, so if you have any ideas or if you have a venue that could be used for upcoming events, please contact us.

## Projects

One of our two projects is to purchase land and build facilities to make our dream come true. We are also saving to purchase a vehicle and renovate it to be a mobile spay /neuter medic clinic to serve Andalucia.

## Help

Can you offer a good home to an animal? We are always looking people to foster and adopt, if you think you could help then please contact us.
